

**PUBLIC WATER SUPPLY DISTRICT NO.2
OF HARRISON COUNTY, MISSOURI
WATER USER'S AGREEMENT**

The undersigned, being the owner or occupier of the land located within the above Public Water Supply District, hereby makes application to said District of water service connection, and if water service is made available by said District, agrees to the following conditions:

1. To become a water user of the District, I hereby tender, and District hereby acknowledges receipt of, the sum of \$ 150 as a deposit for water.
2. The undersigned agrees to pay a minimum monthly meter charge for the water service connection from time service is made available by the District and pay for additional water used at the rate set out in the rate schedule adopted by the Board of Directors. Any changes made in the minimum monthly water charge and rate schedule by the Board of Directors of the District shall become a part of this agreement as though fully set out herein.
3. The Rules and Regulation of the District provide that the District will read the water meters. Service bill for water used shall be rendered by the District on or before the 5th day of the month following the month in which the water is used, and the undersigned agrees to pay said service bill on or before the 15th day of the month in which the bill is rendered, or be subject to a late fee of \$20.00. Failure of the District to submit a service bill shall not excuse the undersigned from his obligation to pay for the water used when the bill is submitted. Failure to pay a bill may result in disconnection of the service. After 3 consecutive months of non-payment and no communication from the water user, the meter is considered abandoned and may be declined. Future water service, if approved by the District, will be all back months minimums up to the current new meter set price.
4. The water service supplied by the District shall be for the sole use of the undersigned. The undersigned agrees that he will not extend or permit the extension of pipes for the purpose of transferring water from one property to another, nor will he share, resell, or sub-meter water to any other consumer. Each meter service shall supply water to only one residence or business establishment located on land within the District.
5. The undersigned agrees to not put any permanent structure around the water meter as to obstruct the District from easily having access to the

meter. If fencing is required, it must be a minimum of 10 feet square around the meter pit.

6. If after water service is made available the same is discontinued or disconnected for any purpose, pursuant to the Bylaws and the Rules and Regulations of the District, reconnection shall be upon the conditions set out by the Bylaws and the Rules and Regulations of the District. The undersigned agrees that he will make no physical connection between any private water system and the water system of the District. Representatives of the District may at any reasonable time come on the premises where the water is being used for the purpose of making inspection to enforce this provision. Violation of this provision shall be grounds for disconnection of service.
7. The undersigned agrees that in accordance with the policy of the district, he will not use any lead materials in private plumbing connected to the water system.
8. The laws of the State of Missouri, the Bylaws of the District , and the Rules and Regulations of the District, as presently existing, and as may be amended from time to time, are made a part of this agreement as though fully set out herein.
9. The undersigned agrees that he will grant a water line easement to the District for the transmission of water over, under and across any interest he may have in real property bounding the roads along which the initial water transmission lines for the District are planned in consideration for the District accepting this application.
10. The undersigned understands and agrees that the District makes no representations whatsoever of the adequacy of fire protection from its water supply system to undersigned or any other person or party and that no reliance shall be placed by undersigned or any other person or party for whom undersigned acts in any manner or capacity, on the adequacy of the District's water supply system for fire protection.

Payments are delinquent after the 15th of each Month. Delinquent accounts will be charged a \$20.00 late fee. If bill is not paid, meters may be locked, and a \$100.00 Reconnect Fee will be Charged.
